**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

America was built on small businesses. Some of use want to keep supporting small, local providers of goods & services, and don't want to be forced to use media giants like AT&T or Comcast.

Broadband is critical to our lives today, but getting horrible customer service from big companies makes even simple things harder.

My family & I support broadband competition, because our country is stronger when there are competitive players in the marketplace.
